

Our Vision At Anstey First School

The learning community of Anstey First School has a shared vision that every child deserves to be successful and become the best they can be. We challenge and develop our children to achieve their best by nurturing creativity, resilience and self-reflection. We encourage a strong community spirit, where we show consideration and respect for each other; tolerance and understanding of differences, and uphold kind, well-mannered behaviour. We strive to help our children develop into responsible and culturally aware citizens in a modern Britain. We want our children to become independent lifelong learners and to leave a positive mark on their world.

"Education is the most powerful weapon which you can use to change the world." - Nelson Mandela

Anstey School Motto: "Be The Best You Can Be"

Anstey School Values: Respect, Resilience and Responsibility

Anstey School Rules:

- 1) Respect everyone and school environment
- 2) Follow adult instructions
- 3) Kind hands, feet and words
- 4) Be the best you can be

The Anstey Vision, Motto and Rules were developed with the help of the Anstey Pupil Leadership Team, staff, parents and school governors.
